 - our values
 - our traditions
 - our success

January 28, 2010

Dear Parents,

Re-registrations for your child's enrollment at Ss. Peter & Paul School for the 2010-2011 term will be accepted as of Monday, February 1. At this time, tuition rates for next year are unknown as they will not be set by our School Board until spring.

As we are already beginning to plan for the new school year, this data is vital as we determine our staffing needs as well as begin ordering books and materials. In addition, this information will also help us in responding in a more timely fashion to the transfer requests we annually receive from parents who visit us during Catholic Schools Week seeking to enroll children.

According to our Parent/Student Handbook, the acceptance of a registration for any given year does not automatically guarantee that child the right to continue in our school indefinitely. There are expectations for students and parents that must be met annually to allow that family to continue their association with our school. Parents are expected to practice the Catholic faith regularly, support the Church financially, and meet their tuition assessments on time. Students are expected to consistently adhere to the school's academic and disciplinary policies and be working to the best of their ability. **You may consider this letter as an indication that, at this time, you and your child successfully meet our criteria and are most welcome to return next fall.**

Please return the bottom portion of this letter, (only one form per family) with a \$35 non-refundable re-registration check, to the school office no later than Friday, February 12. **Also, please note that if you have a child beginning kindergarten next fall, you must come in to the office and fill out a separate registration form for that child.**

Sincerely,

Frank A. Glowaty
Principal
